Finland Will Name Delegates To Soviet Parley

Talks On Proposed Soviet-Finnish Pact To Take Place In Moscow

FEAR FREEDOM OF FINLAND MENACED (BULLETIN)

HELSINKI, March 9.—(INS)—Finnish Prime Minister M. M. Pekkala was named today as head of a seven-man delegation which will proceed to Moscow to discuss Premier Stalin's demand for a pact of mutual assistance.

Pekkala will be empowered to sign "any satisfactory pact" on behalf of Finland.

HELSINKI, March 9.—(INS)—The Finnish government will meet today to choose delegates who will be sent to Moscow for talks with the Russians on the proposed Soviet-Finnish pact.

Expectations are that the membership of the delegation will include Premier Pekkala, Foreign Minister Enckell and Interior Minister Leino.

The decision to discuss with the Russians Premier Stalin's personal request for a Soviet-Finnish treaty of friendship and military aid was reached yesterday, two weeks after receipt of the proposal by President Juho Paasikivi.

The Finns suggested that the talks take place in Moscow.

March weather was about average last year, the two warmest days only showing high marks of 56 and 54 degrees. As late as March 28, the temperature dropped down to 13 degrees during the night. There was only one other day when the mercury got up into the 50s during the entire month.

Pa Newc Observes

Pa Newc has heard a lot of folks comment on weather conditions during March of last year, who evidently have short memories. March weather was about average last year, the two warmest days only showing high marks of 56 and 54 degrees. As late as March 28, the temperature dropped down to 13 degrees during the night. There was only one other day when the mercury got up into the 50s during the entire month.

Local streams, the Neshannock creek and Shenango river, are returning to normal after having been quite high for several weeks due to thawing conditions.

Pa Newc is informed that the recent shifty weather has taken a new toll of the pillars on the public square. The report is that four of the ornamental posts are now crushed, and a fifth damaged. Autos seem to be unable to avoid skidding into the stone posts.

A large tree in the Croton section of the city was succumbing to the woodman's axe on Monday. The site on which the tree stood was evidently being cleared for a building program.

A clerk in a local department store tells Pa Newc that one particular dollar bill has been in the store, received in transactions three times during the past week. The bill carries a red pencil mark 10 on the front of it, making identification easy.

From Huron and Thorpe streets an effective long distance view of the new rows of homes in the Jackson avenue district can be seen. The new dwellings are much to the district and build up that section of the city.

Six And Half Billion Tax Cut Is Endorsed

WASHINGTON, March 9.—(INS)—The U. S. Chamber of Commerce endorsed the GOP-sponsored six-and-a-half billion dollar tax cut today as insurance against a business recession.

Elliott C. Alvord, chairman of the chamber's federal finance committee, said that the tax reduction proposed by the Republicans is "moderate" and would not result in "an orgy of inflationary spending."

Alvord's remarks were contained in a statement prepared for the senate finance committee and released as Sen. George (D) Ga. ranking minority member of the senate group said he would support a tax cut provided the revenue loss is trimmed to less than five billions a year.

The commerce chamber's financial expert declared:
"The advice offered from some quarters that we should defer a lightening of the tax burden until a business recession takes place is foolhardy. Rather, we should make the tax cut now and provide the best insurance available against a recession."

Alvord asked that the house-approved tax bill be amended to reduce the effective rate on long-

Officer Shot By Burglar Is Dead

Bethel Township Police Officer In Pittsburgh Area Dies Of Wounds

PITTSBURGH, March 9.—(INS)—Joseph Chmelynski, 26, one of two Bethel township policemen shot by burglars Friday night, died today in a Pittsburgh hospital.

George Kercher, the other officer, was reported recovering. The two were shot after they had surprised Edward DiPofi, Jr., 23, and John Wilson, 26, both of Pittsburgh, in a Bethel township home. They had taken a gun from each of the two, handcuffed them together and placed them in the back of a police car. DiPofi, the officers said, suddenly whipped out another pistol and started firing. Both were struck in the abdomen.

The two fled, handcuffed together, and DiPofi was shot in the shoulder by the wounded officers. The two were recaptured Saturday. Two other persons, one a county detective, were shot as a result of the first gunfight. The detectives, who had surrounded DiPofi's home, stopped a passerby, Elmer Cooperstein, for question. Thinking it was a holdup, Cooperstein, 23, ran with Detective Start in pursuit. Both were hit when Detective Edward Burke fired two bursts from a sub-machine gun at Cooperstein. Neither was critically injured.

Man Is Killed As Truck Drops Down Mountain

MT. PLEASANT, Pa., March 9.—(INS)—One man was killed and another injured early today when a trailer-truck loaded with 10 tons of dynamite went out of control near the bottom of a three-mile grade near Laurelville, Pa., and dropped 75 feet over the mountain.

Dead was Lawrence Ewan, 38, of Mt. Royal, N. J. Kenneth Baldwin of Wenonah, N. J., a helper on the truck, was taken to the Mt. Pleasant hospital where extent of his injuries had not been determined yet.

The dynamite in the truck did not explode, police said.

Voting Today In New Hampshire Interests Nation

First Presidential Primaries In Nation Taking Place In New England State

CONCORD, N. H., March 9.—(INS)—Political spotlight of the nation was focused today on New Hampshire's presidential primaries, first in the country.

The lineup for the eight convention delegates from the Granite state in heavy voting follows:
Republican: Gov. Thomas E. Dewey of New York favored to win five, ex-Gov. Harold E. Stassen of Minnesota three. Sidelight: Two delegate candidates in the Dewey-Stassen group had declared for Gen. Dwight D. Eisenhower before the latter took himself out of the race.

Democratic: Candidates for all eight delegate seats have declared for a second term for President Truman. Sidelight: Former Gov. Francis P. Murphy, not a convention delegate candidate, has come out for Gen. Douglas MacArthur for president.

Partly cloudy weather with seasonal temperatures and some snow flurries in higher elevations was forecast for today. The voting in Republican New Hampshire was far from clear cut. The delegate contests may be determined on the prominence of delegate candidates.

De Valera To Call On President Truman

Plan For Set-Up Of Government For Western Germany

U. S., Britain And France To Proceed With Formation Of Government

SOVIET ATTITUDE FORCING ACTION

By JOHN A. REICHMANN (I. N. S. Staff Correspondent)

WASHINGTON, March 9.—Responsible sources said today that the United States, Britain and France will proceed with setting up a German government for the Western Occupation Zone with a central authority of limited powers. This is a project to which Russia has objected previously throughout negotiations for the German peace treaty and a method of operating Germany as a whole.

For a long time this idea was held in abeyance by the United States for fear that Russia might interpret it as an alliance against her.

Expect Russia Opposition
The same attitude was expected to be encountered by the creation of a Western European Union of political as well as military and economic interest. But a first step was taken in this direction at Brussels when Britain, France, Belgium, Netherlands and Luxembourg agreed to the initial phases of such a union.

Originally former Secretary of State James F. Byrnes had sought an agreement with the Russians whereby, at least Germany would be restored as an economic unit with a central administrative authority to help finance, currency and transportation matters within the new Germany herself.

Shenango School Addition Plans Given Approval

Citizens Favor Addition To East New Castle School Building

Plans for an eight room addition for elementary pupils at the Shenango Township Consolidated school, met with wholehearted approval of the taxpayers of the township as they met Monday evening in the East New Castle school to discuss the merits and demerits of the proposition.

The meeting, called jointly by the Township School Board and the Parent-Teachers Association, was in charge of W. C. Williams, president of the School Board, who with other members of the board, explained fully the plan and why the move was necessary.

The board members pointed out the irreparable outmoded portables buildings which are being used to house almost 300 elementary pupils stating that remedial steps must be taken to find other quarters for the pupils already there and those about to enter the school. Russia Makes New Protest On Three-Power Plan

WASHINGTON, March 9.—(INS)—Russia made a renewed protest to the United States today over the three-power London conference on the future status of occupied zones in western Germany.

Michael J. McDermott, state department spokesman announced that the protest had been received in Washington. He said there would be no comment from the United States government until the Russian communication had been translated.

Long Note
He said: "It's a long note: about 20 pages."

The protest note had been publicized in Moscow about the time of its dispatch to the United States. The Moscow report said that the Kremlin charged that through the London meeting it was indicated (Continued on Page Two)

President Truman And Gen. MacArthur Enter Campaigns

Both Announce They Will Accept Nominations If Named By Their Parties

PRESIDENTIAL RACE GAINS MOMENTUM

By WILLIAM K. HUTCHINSON (I. N. S. Staff Correspondent)

WASHINGTON, March 9.—The 1948 presidential race became a wide open sweep-stake today with President Truman an announced candidate for reelection and Gen. Douglas MacArthur making a public bid for the Republican nomination.

Mr. Truman defied a southern revolt against his civil rights crusade to announce that if nominated "he will accept and run."

Rebellious Southern Democrats immediately suggested he retire in favor of Secretary of State George C. Marshall or former Gen. Dwight D. Eisenhower. A few joined Republicans in predicting his defeat.

Gen. MacArthur Enters
In Tokyo, Gen. MacArthur tossed his hat into the Republican presidential race three hours after the Truman announcement. MacArthur said "with due humility" he would not "shrink, because of the hazards or responsibilities involved, from accepting any public duty to which I might be called by the American people."

Two other Republican candidates, Gov. Thomas E. Dewey of New York, and Harold E. Stassen, of Minnesota, meanwhile are competing today for New Hampshire's eight GOP delegates in the first 1948 preferential primary.

Dewey defies Republican tradition by seeking the nomination after having lost a presidential election.

An International News Service poll indicates Dewey should win six of the state's eight GOP delegates.

President Truman is unopposed in the Democratic primary.

Will Stir Excitement
MacArthur's entry into the GOP race will stir excitement in Republican ranks. He is sure to win some delegates away from Dewey and Stassen in western states. He might even take the Illinois delegation from Sen. Robert A. Taft of Ohio, present leader in the Republican (Continued on Page Two)

Policeman Slain, Another Wounded, In New York City

Prowler In Bronx Opens Fire, Felling Officers In Alley After Chase

NEW YORK, March 9.—(INS)—One policeman was killed and a second seriously wounded early today in a gun battle with a prowler in the Bronx.

Patrolman Julius Mirell, 26, was shot to death in an alley and his partner, Patrolman Jacob Zuckerman, 32, was wounded.

Prowler Opens Fire
Police said the two officers saw a man run into a building and followed him inside. They lost track of him and upon their return to the street the prowler suddenly appeared.

Investigating officers said the prowler pumped bullets into both officers. Patrolman Zuckerman said he fired five shots at the prowler.

Warns Britain U. S. Aid Vital To Nation Now

(I. N. S. Staff Correspondent)

LONDON, March 9.—(INS)—British Economics Minister Sir Stafford Cripps issued a grim warning today that unless Britain receives aid under the Marshall Plan there will be "wholesale unemployment, distress and dislocation of production."

His warning was contained in an economic survey for 1948 which was published in the form of a white paper.

Sir Stafford pointed out that without such aid there will be no prospect of a decent standard of living for years to come.

Year of Anxiety
He emphasized that the year 1948 is "bound to be one of great anxiety," dominated by decisions of the United States Congress to grant aid for reconstruction.

Sir Stafford prophesied a "somewhat reduced" standard of living with appreciable but not disastrous reduction in consumption of food and clothing.

He revealed that Britain's export target has been slashed from 60 per cent of her 1938 volume to 50 per cent because some of the more important markets are becoming saturated with goods.

He predicted that Britain's overall deficit in balance of payments should drop from the two billion, 600 million dollars of 1947 to one billion in 1948.

Ammunition Dump Explodes At Tsingtao—Block Of City Levelled

SHANGHAI, March 9.—(INS)—One hundred Chinese were reported to have been killed and another 250 injured when an ammunition dump at Tsingtao exploded today.

United States navy sources at Shanghai said the blast, which occurred half a mile from the pier where the USS Estes and the hospital ship Repose were berthed, leveled a city block. The blast started fires which swept a wide area.

Rescue teams from the United States navy immediately went into action.

No American casualties were reported and no American-owned buildings were damaged.

Treasury Announces Drive To Prevent Income Tax Evasions

WASHINGTON, March 9.—(INS)—The Treasury announced today that it is opening a drive to stop "fake commodity transactions and bookkeeping manipulations" designed to help speculators avoid heavy income tax payments.

The Internal Revenue said in a statement that many speculators, with the aid of their brokers, have manipulated their profits so as to cut taxes by 50 per cent.

Seething Blast

The Treasury announcement followed a seething blast by Agriculture Secretary Anderson last December that certain futures transactions in commodities "appear fictitious in nature and should be eliminated" by the Treasury.

A Treasury official said that many traders have been manipulating their accounts and engaging in "sham transactions" to stretch short term into long-term gains and thus reduce taxes.

He declared that this is accomplished by keeping commodity accounts open and deferring all money payments until after the six-month deadline for short-term gains.

against such a move has been the strongest force to impel the United States, Britain and France to proceed on their own.

Aggressive Moves Seen

Those familiar with the recent meeting in London found that recent aggressive moves by Russia have done much to stimulate agreement there. It was believed that the Czechoslovakia Communist coup was a big factor in securing an agreement from a frightened France.

At least, France, it was pointed out, has agreed to the operation of the industrial Ruhr Valley as it is assured that its resources will not again be used by an aggressive Germany and will be used for the benefit of all Europe.

Deaths Of The Day

George Glasie

George Glasie, aged 79 years, Mahoningtown, R.D. 7, died this morning at 2:40 o'clock in the Jameson Memorial hospital. Death was the result of an illness of four months.

He was born April 24, 1868, in Austria and resided in Bessemer for 33 years. The deceased was a member of St. Anthony's church.

Survivors include his son, Anthony Glasie, Mahoningtown, R.D. 7; one sister, Miss Mary Glasie, Austria; five grandchildren and one great-grandchild.

Funeral services will be conducted Thursday morning at 10 o'clock from St. Anthony's church, Bessemer. Interment will take place in St. Anthony's cemetery.

Friends may call at any time at the Cunningham funeral home, Bessemer, where the family will be present this evening and Wednesday evening from 7 to 9 o'clock.

Infant Harriger

Infant Harriger, two-day-old son of Paul Russell and Betty Jane Heckthorne Harriger, Mahoningtown, R.D. 7, died this morning in the Jameson Memorial hospital. The infant was born March 7, in New Castle.

Survivors include his parents. Private funeral services will be conducted Wednesday afternoon from the Robert M. Miller funeral home, Mt. Jackson. Interment will take place in Westfield Presbyterian cemetery.

Mrs. Joseph Redman

Mrs. Sarah Janet Redman, aged 75 years, 711½ East Reynolds street, died Monday evening at 8:15 o'clock in the Jameson Memorial hospital, where she had been a patient for nine weeks. She was the widow of Joseph Redman who preceded her in death in 1928.

Born April 6, 1872, in Liverpool, England, she was a daughter of the late Thomas and Ann W. Jones. The deceased had resided at 711½ East Reynolds since 1909.

Survivors include two sons, Arthur and Harry Redman, both of New Castle; two sisters, Mrs. John Woods and Mrs. Bartle Woods, both of England, eight grandchildren and two great-grandchildren.

A son, Stanley Redman, preceded her in death four years ago.

Funeral services will be conducted Thursday afternoon at 3 o'clock from the Howard L. Reynolds funeral home, Adams street, with Rev. H. O. Fichter officiating. Interment will take place in Oak Park cemetery.

The family will receive friends at the funeral home this evening and Wednesday evening from 7 to 9 o'clock as well as Wednesday afternoon from 3 to 5 o'clock.

Mrs. Dorr Funeral

Funeral services for Mrs. Elizabeth Bohlander Dorr were conducted Monday afternoon at 2 o'clock from the home of her daughter, Mrs. W. S. Moffitt, Beechwood Road, New Wilmington. Rev. Robert P. McDonald, pastor of New Wilmington U. P. church, officiated at the services.

Albert Moffitt, William Cody, John Buckwalter, John C. Clyde E. and Paul Dorr served as pallbearers.

Interment took place in Woodlawn cemetery, Grove City.

A Weak, Run-Down Feeling Is Often A Warning

That The Red-Blood Is Getting Low

If you do not feel like your real self, do not have the urge to be up and going, why not check-up on your blood strength? Look at the palms of your hands, your fingernails, your lips, the lobes of your ears—are they pale and off color?

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that 888 Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the 888 Tonic formula which contains special and potent activating ingredients.

Also, 888 Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich red-blood—start on 888 Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Some MacArthur leaders were disappointed by his declaration that "I have no plans for leaving my post in Japan." Many of them hoped MacArthur would come home this spring and actively campaign for the nomination—a step that would help his candidacy immeasurably.

The MacArthur declaration may serve to revive the Eisenhower GOP boom. Some Eisenhower followers have continued to support him despite his withdrawal in January.

President Will Accept

The Truman announcement was made through Democratic National Chairman J. Howard McGrath who told reporters at the White House: "The president authorized me to say that if nominated by the Democratic national convention, he will accept and run."

McGrath also reported Mr. Truman would campaign on his civil rights recommendations despite the bitter opposition to them among southern Democrats.

McGrath declared he also discussed the Palestine question with Mr. Truman. He reported the president said there would be no change in the U. S. position of backing up all decisions of the United Nations and that the policy would not be affected "by political considerations."

Wage Increases For Construction Union Employees

PITTSBURGH, March 9.—(INS)—Wage increases varying from 10 to 18 per cent were signed today between the Constructors' association of western Pennsylvania and four AFL construction unions.

More than 12,000 workers in 33 counties are affected by the increases. Laborers' basic rates are boosted from \$1.20 to \$1.40 an hour.

Unions involved are AFL Laborer's District Council of western Pennsylvania, AFL Teamsters' Joint Council No. 4, AFL Carpenters and AFL Operating Engineers.

Base rates for the skilled workers were not made public.

The contract was signed after negotiations had been under way since last November, under the Taft-Hartley act in co-operation with the National Labor Relations Board.

ings are beyond repair, thus the proposed building program to give the school district a permanent addition to the already overcrowded Shenango school building instead of temporary costly replacements.

Would Cost \$75,000

Mr. Williams introduced A. T. Eckles, local architect, who went over the plans with the parents, showing them preliminary sketches that he had drawn. Mr. Eckles estimated that it would cost in the neighborhood of \$75,000 under present conditions to build the eight room addition. The plans are drawn so that two rooms at a time might be built in case the cost of the wing would exceed the amount of money the township has to expand.

Following the discussion, the group present was thoroughly convinced that the move was an extreme necessity and no dissension on the program was shown.

It was learned during the meeting that the issue will not have to be put on the ballot, but bonds held by the school would be sold to finance the program. Plans will be rushed to completion by the architect and as soon as drawn up, bids will be asked for the addition. It is anticipated that the building will be ready for occupancy some time next fall if nothing unforeseen turns up to deter the program.

Valuable advice was given during the Monday evening meeting at the Shenango school by Roy F. Conway, assistant county school superintendent as well as from other visitors.

ings are beyond repair, thus the proposed building program to give the school district a permanent addition to the already overcrowded Shenango school building instead of temporary costly replacements.

Would Cost \$75,000

Mr. Williams introduced A. T. Eckles, local architect, who went over the plans with the parents, showing them preliminary sketches that he had drawn. Mr. Eckles estimated that it would cost in the neighborhood of \$75,000 under present conditions to build the eight room addition. The plans are drawn so that two rooms at a time might be built in case the cost of the wing would exceed the amount of money the township has to expand.

Following the discussion, the group present was thoroughly convinced that the move was an extreme necessity and no dissension on the program was shown.

It was learned during the meeting that the issue will not have to be put on the ballot, but bonds held by the school would be sold to finance the program. Plans will be rushed to completion by the architect and as soon as drawn up, bids will be asked for the addition. It is anticipated that the building will be ready for occupancy some time next fall if nothing unforeseen turns up to deter the program.

Wage Increases For Construction Union Employees

PITTSBURGH, March 9.—(INS)—Wage increases varying from 10 to 18 per cent were signed today between the Constructors' association of western Pennsylvania and four AFL construction unions.

More than 12,000 workers in 33 counties are affected by the increases. Laborers' basic rates are boosted from \$1.20 to \$1.40 an hour.

Unions involved are AFL Laborer's District Council of western Pennsylvania, AFL Teamsters' Joint Council No. 4, AFL Carpenters and AFL Operating Engineers.

Base rates for the skilled workers were not made public.

The contract was signed after negotiations had been under way since last November, under the Taft-Hartley act in co-operation with the National Labor Relations Board.

READING CIRCLE GUEST NIGHT TEA

March meeting of the Reading Circle took the form of an evening program and tea on Monday in the home of Mrs. Henry Stone, 235 Northview avenue, a change from the circle's usual afternoon meetings. Members of the Junior Reading Circle attended as special guests.

Program highlight was a very interesting review of the play "The Magnificent Yankee" given by Mrs. A. Pearson Furst.

During business, the club voted a contribution to the Red Cross and also voted to continue meetings one monthly instead of twice a month.

Tea was served at the close of the program from a prettily decorated table with flowers, daffodils and tulips, and candles all carried out in yellow.

Mrs. Elizabeth Schreiber, Mrs. Frederick Fox and Miss Jane Wallace were special guests.

On the tea committee with the hostess were Mrs. John Z. Street, Mrs. Bernard Hook and Mrs. David Tomkins.

Next meeting will be April 12 in the home of Mrs. Clinton Kennady, Harlansburg road.

MRS. IDA M. SUBER ATTENDS FUNCTIONS

Mrs. Ida M. Suber, of Bell avenue, state president and second national vice-president of Service Star Legion, Inc., McKeesport and Wilkinsburg, has returned home after attending official business in the latter two towns.

Mrs. Suber was guest of the McKeesport chapter at their initiation of 21 new members and reception held in the A.O.H. hall. Many social events were given in her honor by the ladies of the chapter, including theatre parties and dinners in Pittsburgh.

Last Thursday Mrs. Suber attended the Wilkinsburg Service Star Legion chapter meeting and made plans for the state convention to be held at Wilkinsburg in the Masonic Temple, June 14, 15 and 16. Friday she was a guest at the Wilkinsburg lunch party in the Penn Lincoln hotel ballroom, and also broadcast on W.P.T.

While in McKeesport she was the house guest of Mrs. Emma Miller of Shaw street, and in Wilkinsburg she registered at the Penn Lincoln hotel.

NIECE HELPS MARK 76TH ANNIVERSARY

At the home of Mr. and Mrs. Samuel Ford, 507½ South Walnut street, Mrs. Jessie McCandless of 416 Neshannock avenue was the guest at dinner over the weekend. The event was in honor of the 76th birthday anniversary of Mrs. McCandless, aunt of Mrs. Ford.

The honored guest received many cards of greeting. She is in fairly good health.

MAHONING VALLEY CLUB WILL MEET

Mahoning Valley Civic club will meet in the home of Mr. and Mrs. Scott Wallace, Edenburg-Pulaski road, on Thursday evening at 8 o'clock with Mrs. Jennie Whiting as co-hostess.

Miss Elma Robinson is program chairman.

To Nominate Officers
Miss Gertrude Fredericks, secretary of the ladies auxiliary of the Veterans of Foreign Wars, post 315, today announced nominations would be made at auxiliary headquarters at 8 o'clock Wednesday night.

Expecting a Baby?

Mother's Friend massaging preparation helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an exquisite prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy . . . it helps keep the skin soft and pliable . . . thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin . . . for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by nurses. Millions of bottles sold. Just ask any druggist for Mother's Friend—the skin emollient and lubricant. Do try it.

BETROTHAL TO END IN APRIL WEDDING

Rev. and Mrs. William G. McCune, of Grandview avenue, have announced the engagement of their daughter, Elizabeth McCune, to Howard McDowell, son of Rev. and Mrs. C. L. McDowell, of Transfer, Pa.

At a shower given by the bride-elect's mother and sister, Mrs. John N. Henley, Friday evening, an enjoyable evening was spent with games as a pastime and later Miss McCune received an array of lovely gifts. Among those present was her fiancé, Mr. McDowell.

Later, Mrs. William G. McCune aided the hostesses in serving a light lunch.

The engagement will terminate in an April wedding.

MERCER CLASS NAMES OFFICERS

Members of the Mercer class of Highland U. P. church gathered Monday evening for their March assembly in the church. Mrs. Samuel Staats conducted the worship period.

Officers elected for the coming year follow: president, George Detweiler; vice president, Kenneth North; secretary, Mrs. Clark McClelland; assistant secretary, Gerald McCoy, and assistant treasurer, Mrs. Russell Canan. Harold Book, chairman of the nominating committee, presented the slate of officers.

J. Roy Mercer, teacher of the group, and Russell Canan, retiring president, expressed their appreciation for the cooperation and accomplishments of the church year which will close this month.

Using St. Patrick's Day appointments, the committee composed of Mr. and Mrs. Gerald McCoy, Mr. and Mrs. Frank P. Chapin, Mrs. Samuel Staats and Miss Beulah Ruthrauff, served tempting refreshments.

PEARL KELLY WEDDING NEWS

Miss Eleanor Pearl, daughter of Mr. and Mrs. Walter Pearl of State road, became the bride of Elmer (Bud) Kelly, son of Mr. and Mrs. Kenneth Kelly, R. D. 1, Edenburg, on February 26, the ceremony being performed at 8 p. m. in the Neshannock U. P. church. Rev. Owen Shields officiating. He used the double ring ceremony during the candlelight service.

Ferns and palms embellished the altar and soloist Betty Snodgrass sang "Because" and "I Love You Truly," with Mrs. Ada Stewart as accompanist. She played the "Lord's Prayer" and the wedding march.

Given in marriage by her father, the bride was charming in a French pink street length ensemble with brown accessories. She carried a white Bible marked with an orchid and streamers attached.

Miss Jean Braymer as maid of honor wore a poudre blue street length ensemble with brown accessories. Her shoulder corsage was of sweet peas, red roses and pink carnations.

Samuel Long served as best man and usher were Fred List and Walter Pearl, Jr.

Immediately following the ceremony a wedding supper was served to the bridal party and families at the New Penn hotel. Later the young couple departed on a wedding trip to Buffalo, N. Y.

Upon their return they will reside with the bride's parents at present. Mrs. Kelly is employed in the office of the Shenango Pottery company, and Mr. Kelly is affiliated with the Carbon Limestone company, Hillsville.

Current Events class members were entertained in the home of Mrs. Mrs. John L. Emery, 413 Highland avenue, Monday afternoon for their bi-weekly program on current events. Mrs. Charles Wetlich presided.

A current event was given in answer to roll call and later there was discussion of current topics with Mrs. Charles T. Metzler acting as critic.

Next meeting will be Monday, March 22, the place to be announced.

SAESAN DRAGOS VOWS EXCHANGED

At an impressive candlelight ceremony Miss Irene E. Saesan, daughter of Mr. and Mrs. Stephen Saesan of R.D. 1, New Castle, became the bride of Michael Dragos, son of Mr. and Mrs. Aurel Dragos, of 85 Monroe street, Sharon, on February 24. The ceremony was performed by Rev. Nicolas Moldovan in the Orthodox church at Farrell.

The bride, who was escorted by her father, wore a gown of lustrous satin, styled with a lace yoke, long sleeves and a full skirt with a train. Her fingertip length veil of French illusion was fastened to a coronet of orange blossoms. She wore a gold necklace which was a gift of the groom and for something old, wore a set of bracelets which were worn by a friend's mother when she was married more than 60 years ago. She carried a cascade bouquet of calla lilies.

Mrs. Albert Muresan of Warren, O., as matron of honor, wore an azalea Jersey gown, with fitted bodice and beautifully draped skirt. She wore a feathered head-dress of the same color and carried a cascade bouquet of yellow roses.

The bride's other attendants were her sister, Miss Vici Saesan, Miss Helen Dragos, sister of the groom, Miss Connie Dimitru and Miss Virginia Binduri. Their yellow and blue gowns were of lace and net with fitted bodices and full skirts. They too, carried cascade bouquets of yellow and red roses. Judith Marie Martikala, the bride's niece, was flower girl.

Albert Muresan of Warren was best man and the ushers were John Dragos, brother of the groom, Arnold Saesan, brother of the bride, Steve Barbat of Cleveland, Ohio, and John Todut of Brookfield, Ohio. Gene Muntean served as junior usher.

A reception was given after the ceremony at Yankee Lake for 100 guests.

Mrs. Dragos is a graduate of Shenango Township school and of New Castle Business College. Prior to her marriage, she was affiliated with the Equitable Life Insurance Company office here.

Mr. Dragos is a veteran of World War Two having served more than three years with the armed forces in the European and Pacific theatres of war. He is affiliated in business with the Dragos Coal Co.

After a honeymoon in Niagara Falls and other Canadian points, the newlyweds are now at home in their newly furnished apartment on Monroe street, Sharon.

SCARAZZO-RUSSO ENGAGEMENT KNOWN

Mr. and Mrs. John Sacripanti of 1019 DuShane street announce the engagement of their granddaughter, Julia Scarazzo, daughter of Mr. and Mrs. Carmine Scarazzo of Alliquippa, to Francis R. Russo, son of Mr. and Michael R. Russo, 706 Pearson street.

The engagement was revealed at a dinner party held Friday evening at the Sacripanti residence, the occasion also being Miss Scarazzo's birthday.

Immediate families were present at this time, and also at a lovely dinner held Sunday, March 7, on the event of Francis Russo's birthday. They exchanged gifts at this time.

No date has been set for the wedding.

All-Together Club

Members of the All-Together club will meet in the club rooms, South Mill street, Mrs. Marietta Cecil and Mrs. Charlotte Donofrio in charge.

Card playing was the pastime, high score trophies going to Mrs. Nellie Sansosti, Mrs. Isabella Rich, Mrs. Mary Anzalone and Mrs. Assunta Orielli. A dainty lunch was served later. Mrs. Minnie Palano aiding in serving. Special guests were Mrs. Mary E. Conti, Mrs. Rachel Pascarella and Mrs. Isabella Rich.

March 29 is the meeting with Mrs. Nellie Sansosti and Mrs. Adeline Volpe.

Expecting a Baby?

Mother's Friend massaging preparation helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an exquisite prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy . . . it helps keep the skin soft and pliable . . . thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin . . . for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by nurses. Millions of bottles sold. Just ask any druggist for Mother's Friend—the skin emollient and lubricant. Do try it.

Five To Receive Honorary Degrees

Westminster Board Of Trustees
Authorizes Conferring Of De-
grees At Commencement

NEW WILMINGTON, March 9. Five men, four of them graduates of Westminster college, will receive honorary degrees at Westminster's 1948 commencement, June 7, as a result of action taken by the board of trustees at a meeting in the University club, Pittsburgh.

Three will receive doctor of divinity degrees. They are Rev. Frank C. Black, '24, of Omaha, Neb., Rev. Harry D. Rose, '30, pastor of the Goodyear U. P. church of Akron, and Rev. Raymond F. Brittain of the University of Pittsburgh faculty.

William Reed Vessey, '33, a top scientist with the Dow Chemical Co., Midland, Mich., will receive a doctor of science degree, while John E. Nelson, '00, Pittsburgh business man, will receive a doctor of humanities degree.

In accord with a plan adopted last spring, the executive committee of the board was reorganized. The new committee is composed of the following: Atty. John E. McCalmont, Pittsburgh, board chairman, president; Dr. James Ferguson, Bellevue, vice chairman; Atty. R. N. Grier, Mt. Lebanon, secretary; Atty. John B. Eichner, Pittsburgh, representative of the First Synod of the West; W. H. Christy, Crafton, representative of the Synod of Pittsburgh; Jerome Wright, Cambridge, N. Y., representative of the Synod of New York; Atty. John L. Miller, Pittsburgh, alumni representative; Atty. Roy Neville, Sharon, board representative; Atty. Clyde Armstrong and Atty. W. Bruce McCrory, both of Pittsburgh, appointed by the board president.

The board authorized Business Manager Ross Ellis to advertise for bids for the redecoration of Wallace Memorial chapel. It is hoped to start the work within the next several weeks. The college tennis courts are also to be conditioned. The courts, located near the gym, have not been used for several years.

Acting President John Orr and Mr. Ellis represented the college. District board members attending included Atty. Thomas Mansell, James McLaughry and Norman W. Igo of New Wilmington, Atty. Roy Neville of Sharon, and Atty. T. C. Cochran of Mercer.

UTOPIA

Utopia is a place where there is no trouble of any kind. Everybody is healthy and happy.

When you sell, you get a big price. When you buy, prices are low.

There is no disease nor ignorance. Everyone is educated but Butch does not have to go to school.

Utopia seems far away. Disease is always just around the corner.

The prevention of disease is a pretty hard job. There are many things which help. Clean milk, pure water, clean eating places, good food, good schools, play grounds, hobby lobby, swimming pools, sewer systems, garbage disposal, vaccination, clean streets, Sunday schools, and good sleep are a few helpers.

COLLEGE ART DISPLAY
NEW WILMINGTON, March 9. Modern watercolor paintings, consisting of works from the Museum of Modern Art in New York, are now on display in the art room of McGill Memorial library at Westminster college. The display will continue through March 15. The exhibition is representative of the work of the latter nineteenth century and twentieth century, and the men influential in shaping general characteristics in watercolor. Typical of the collection are "Still Life" by Vlaminck; "The Dancer," Degas; "Coming Storm," Homer and "Downtown New York," Marin.

In a new form point to the Roosevelt heritage. On this foundation, they insist, a new beginning can be made. They believe that even in the South, as industrialization increases there, a new Democratic party will evolve with genuine ties with the North. This is the kind of debate which will be heard increasingly as the tide of change cuts deep into the Democratic party of tradition.

part of the public as to the use made of our contributions. With the State Department in full control, the probability is that our contributions would be directly to the beneficiary governments — a policy that has proven wholly unsatisfactory in the past.

Another Advantage

Another advantage of the Vandenberg proposal is that it goes a long way toward discounting the Soviet claim that our relief program in Europe is based on "imperialistic" politics, with the United States bringing pressure on the various nations to control their internal and foreign policies. Administration on a sound basis, by practical and experienced men chosen from civilian life, will not offer much opportunity for political abuses. At the same time, the special ambassador chosen to supplement the work of the administrator will be in a position to keep our country informed of political developments among the beneficiary nations; such information would be available to Congress and that body could take appropriate action in case our contributions were being used to help governments tending toward practices of policies advantageous to Communism.

Thus far consideration of the European project has been fairly free from any manifestations of partisanship. Senator Vandenberg's proposal should help the continuance of that attitude on the part of both parties. In the end, however, the vital factor will be the capacity and character of the group which will have actual charge of the plan's operation.

Senator Vandenberg has only proposed another Bureau with just a few more thousand employees. The Senator will have to think up something better than that.

Good Taste

By FRANCES MARREL

POSTURE

"Why not give a little advice on the importance of posture? I notice so many slumping bodies it occurs to me that a pep talk on the value of sitting and standing straight will prove beneficial." — J.N.S.

Answer: Good posture is as important as a good figure for without correct posture even a perfect figure is wasted. This is especially so since our carriage usually indicates our personality and inner thoughts. The slumped figure symbolizes a drooping viewpoint—a general feeling of inferiority. Whether it is really so or not, it gives that impression.

By raising the abdomen, the shoulders automatically are thrown back into place and the head and neck are held high. Breathing becomes more regular and a generally better attitude of mind results.

Very few of us can slump and maintain a commanding appearance; but she who has a good posture does justice to her clothes, her personality and gives the impression of great poise, justifiably or not. Even when low-spirited, "keep your chin up" literally speaking. It will help you to overcome poor mental attitudes; whereas the general slump might sag you down to defeat.

It is our vitality, our energy, our interest in others that gives us a reputation for being charming and care enough to give this impres-

sion, we should learn the value of correct posture and breathing.

Two habits to avoid are: "Holding hands" with yourself, and standing with your weight on one foot, giving a lop-sided effect. Correction of these posture habits may at first be difficult after years of carelessness. But try it immediately and soon it will be as natural and decidedly more comfortable than the old slumping habit. People trained to it from babyhood have an unselfconscious, poised appearance difficult to imitate. It is only through practice in private and by observation of those who have it that the self-made woman can attain it.

Miss Marrel will promptly mail personal answers to questions from any readers including a self-addressed, stamped envelope.

The presence of noxious gases in the volcanic valleys of Java, in the Malay Peninsula, gave rise to the story that there was a poison vale in the island in which the exhalations of numerous poison trees destroyed all animal life.

Correction of these posture habits may at first be difficult after years of carelessness. But try it immediately and soon it will be as natural and decidedly more comfortable than the old slumping habit. People trained to it from babyhood have an unselfconscious, poised appearance difficult to imitate. It is only through practice in private and by observation of those who have it that the self-made woman can attain it.

Miss Marrel will promptly mail personal answers to questions from any readers including a self-addressed, stamped envelope.

Present 'Projected Book Machine'
Recently To Veterans At De-
shon General Hospital

One of the most active women's organizations in the city, which is looking after the welfare and entertainment of the disabled veterans of the past war is the Daughters of Union Veterans of the Civil War.

The most recent project carried out by the women is the purchasing of four "read and rest" tables for the disabled vets at Deshon General Hospital in Butler. The tables will be formally presented by the ladies upon their arrival at the hospital in the near future, with the date to be announced. They will enable bedfast veterans to read with ease although they are confined to their beds and unable to move much.

Recently, the D.U.V. Tent of New Castle purchased a projected book machine to project books on the ceiling for bedfast vets at the hospital. Presentation ceremonies were in charge of Mayor John F. Haven of New Castle with F. X. Keating, officer in charge of special affairs at the hospital, formally receiving the machine for the hospital. At the same time, the Tent presented \$125 worth of prizes for use of the vets in their social hours.

New Castle Tent 20 of the Daughters of Union Veterans, who claim eligibility through being a daughter, granddaughter or great granddaughter of an honorable discharged soldier, sailor or marine of the Union Army of the Civil War have not ceased to work for the welfare of the Veterans even though the Grand Army of the Republic has almost answered the last call through the death of its members.

During the First World War, the local Tent worked for the Red Cross at home by knitting and packing of farewell boxes for the departing vets as they did during the recent war. Over 70,000 members of the D. U. V. exist in the U. S. with the National Headquarters in Washington, D. C. Mrs. Will Dolan of Pittsburgh is national president, with Mrs. Abe Lincoln of Philadelphia, Pennsylvania president. State and national conventions are held with the next G.A.R. Encampment scheduled in June at Reading, Pa.

Last Wednesday, the local women visited Deshon and presented the men with candy, gum and five subscriptions to a national magazine. Since last September, nearly \$600 has been contributed to the hospital by the Local D.U.V.

**L. E. Turnbull
Joins Donati's
Music School**

Mr. Turnbull is well qualified to meet the high standards of the Donati School of Music Teaching Staff which now consists of 14 members. Former students of the school now filling worthwhile positions in famous bands and orchestras throughout the country today appreciate the training they received at Donati's School of Music.

Mr. Turnbull, born into a family well established musically in Western Pennsylvania district, has had an interesting and varied career in music. At the age of 15, while at Sewickley High School, he became well-known by winning first place in the Forensic League Trombone Contests in Allegheny County and Western Pennsylvania district. He studied under Ottavio Ferrara at Carnegie Institute of Technology and was a member of the Carnegie Tech Orchestra for three years.

During the war, Mr. Turnbull spent more than three years with the 378th Army Air Force Band at Miami Beach, Florida; Atlantic City, New Jersey; and Salt Lake City, Utah.

In addition to his symphony experience, he has also been associated with several well-known dance orchestras in the Pittsburgh district including Brad Hunt and Jimmy Spitalny. He has also traveled extensively with Ina Ray Hutton and Allan Craig playing some of the country's best "Spots," the Band Box in Chicago, the Click in Philadelphia, and the Plantation Clubs in Dallas and Houston, Texas.

Students of Trombone and Trumpet are very fortunate to have the services of Mr. Turnbull as a teacher. He will be glad to meet and greet new friends at Donati's Music Company.

Cadillac
PRESENTS
THE *New* STANDARD OF THE WORLD!

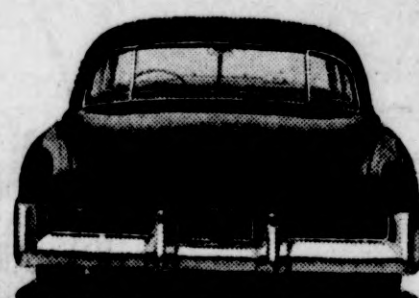

Today, the world has a new standard by which to measure motor cars. For Cadillac has taken a great stride forward—one of the greatest, perhaps, in its entire history of automotive pioneering. As is always the case when a new Cadillac is introduced, the advancement embraces every phase of automotive goodness. The exterior appearance is wholly new, and represents the soundest principles developed in years of research. Interior design and finish are a complete departure, and add immeasurably to comfort, beauty and convenience. Performance is finer in every way, for the great Cadillac chassis and engine have been

thoroughly refined. And vital improvements in factory equipment have raised even Cadillac's high standards of manufacturing. In fact, all the attributes which have contributed to Cadillac's reputation as the world's premier motor car have been made more pronounced. Regardless of the price class from which you expect to select your next car, you are cordially invited to view the new Cadillac—now on display in our showrooms. When the standard of the automotive world has been so decidedly raised, it should be of interest to everyone.

Cadillac's basic characteristics of design are fully apparent in the front view of the 1948 model. Bumper and grille are even more massive. The symbolic V ornament and crest have been pleasingly refined to harmonize with new, low hood lines.

Viewed from the rear, the 1948 Cadillac shows a complete departure in design. The full-width rear window improves appearance and safety. Smart "radiator-type" fenders, protected by sturdy bumper uprights, give an appropriate touch of sleekness. Note the wide, low rear deck.

**Mrs. Lamarre Has
Only Contempt
For Gen. Meyers**

WASHINGTON, March 9.—(INS)—Mrs. Mildred Lamarre testified in federal court Monday that she felt "only contempt" for Maj. Gen. Bennett Meyers, the man who once called her his "girl friend."

Mrs. Lamarre made the statement from the witness stand during Meyers' trial on charges that he induced her husband, Blierot, to lie to senate investigators about trans- actions of the general's Ohio war firm.

When Chief Defense Counsel

Robert T. Bushnell opened his cross-examination by asking her whether she felt "bias or hostility" toward the retired general, Mrs. Lamarre replied:

"I feel only contempt for a man who would sacrifice his friends to save his own neck."

She said that she acquired this opinion of Meyers after the senate hearings last November when Meyers publicly declared that she had been his "girl friend" and that her husband had approved the relationship.

NEW YORK — (INS) — On the main lines, the modern steel rail has an average service life of 15 years. In the last decade, rail failures per 1,000 miles of trackage, after two years' service, dropped from 12.7 per cent to 3.6 per cent.

New Telescope To Develop 'Astronomical Figures'

By LYLE ABBOTT
(U. N. S. Special Correspondent)
MOUNT PALOMAR, Calif., March 9.—In these days of big government budgets, the fashion is to speak of great quantities as "astronomical figures".

The Palomar telescope is going to furnish some real "astronomical figures," and may inspire some word-craze to invent new names for what we now call miles and centuries and light-years.

At Mount Wilson, the 100-inch astronomer's one night photographed a star system that they believe is 500,000,000 light years away. A light year takes some explaining.

It is not a measure of time but of distance. All light travels at

186,275 miles a second. In a year it goes almost six trillion miles. So to keep from running out of zeros astronomers invented the light year, or the distance light travels in 365 days.

And a Mount Wilson telescope man shoved his observations out 500,000,000 of those light years. He photographed the most distant thing man has ever observed but he did not see the end of space.

Now, when Palomar's 200-inch mirror is ready sometime this summer, another astronomer is going to batter at the barrier of space and try to picture stars a billion light years away.

This gigantic yet delicately balanced piece of scientific machinery is designed to do just that—peer 1,000,000,000 times 5,900,000,000 miles out "there".

Name Delegations And Chairmen For Mock Convention

NEW WILMINGTON, March 9.

—Westminster's mock Republican convention was moved one step forward the past week with the meetings of state delegations, and the nominating of state party chairmen and convention committee members.

Harry S. Manley, assistant professor of political science and director of the convention, announced that independent state meetings would be held this week to select candidates.

FACULTY DEBATE

NEW WILMINGTON, March 9. —Two members of the Westminster college faculty will present a debate on "Universal Military Training" at a regularly scheduled meeting of Westminster's political science forum, Thursday afternoon.

Melvin Moorhouse, debate coach and assistant professor of speech will present the affirmative while Samuel H. Sloan, associate professor of Economics, will give the negative.

South Side Church Pre-Easter Service

A pre-Easter service is planned for Wednesday evening at 7:30 o'clock in the Central Christian church, Long at Pennsylvania avenue.

The speaker during the hour will be Charles Fordyce, a student minister of the congregation who will speak on the subject, "Christ On the Cross." Special music will be provided during the service.

NAME OFFICERS

NEW WILMINGTON, March 9. —Two musical organizations at Westminster college elected new officers at recent meetings. Donald Davis, Fredrick, Md., was elected president of the con-

servatory chorus. Francis Peterson, New Wilmington, vice-president; Ruth Temple, New Wilmington, secretary; Ray Dunlap, Westleyville, treasurer and business manager.

The women's glee club elected Mildred Powell, junior music education major of Erie, as their president. Other new officers are Eleanor Whitehill, Georgetown, secretary; Martha Wedel, Hastings, Mich., and Janet Schaeffer, Pittsburgh, librarians.

Recommends Repeal Of Margarine Tax

WASHINGTON, March 9.—(INS)—Undersecretary of the Treasury Lee M. Wiggins recommended that Congress repeal the federal tax on oleomargarine.

Wiggins told the House Committee that the tax on margarine is "punitive" and said the principle effect was to levy the tax burden on consumers. He said:

"From the viewpoint of the country as a whole, the principal economic effect from the taxes is to impose direct and indirect burdens on consumers and distributors which in the aggregate tend to fall with particular weight upon low income groups."

Men of the white race have from 40,000 to 60,000 hairs in a full head of hair. Women may have as many as 70,000. Other races have fewer hairs than the white race.

The state of Illinois contributed nearly 200,000 men to the Federal army during the Civil war.

FORMER RESIDENT WED IN YOUNGSTOWN

Candlelit and decorated with white roses and snapdragons, the Chapel of Friendly Bells, Youngstown, O., was the scene of the wedding of Miss Marjorie Alice Carr, daughter of Mr. and Mrs. David A. Carr of 1408 Florence avenue, Youngstown, and Berge Garon Tookman, son of Mr. and Mrs. Hrand Tookman of Cleveland Heights, O., on February 29 at 2:30 o'clock in the afternoon. Dr. Russell J. Humbert of Trinity Methodist church performed the double ring ceremony.

The bride wore a gown of duchesse satin and a fingertip veil of French illusion falling from a pearl tiara. She wore an heirloom tear-drop pearl necklace, seed pearl earrings, gift of the groom, and carried a bouquet of lilies.

Mrs. James H. Mayberry, Jr., of this city, as her niece's matron of honor, wore an asale pink marquisette gown with a floral headpiece to match her colonial bouquet of pink roses, blue iris and gypsophila.

Dr. Harry Samourian of Cleveland was best man and ushers were Gene Whitman of Cleveland and the bride's uncle, James H. Mayberry, Jr.

Following the ceremony there was a reception for 100 guests at the Shady Lawn with a wedding supper served to 30 members of the two families after the reception.

Mr. and Mrs. Tookman will live at 10900 Carnegie avenue, Cleveland. Mrs. Tookman graduated from Hayes high school in Youngstown and attended Davis School of Fashion in Cleveland, is assistant buyer of millinery at Higbee's. She was born in New Castle and lived here during her childhood.

Mr. Tookman graduated from Cleveland Heights high school and attended Baldwin-Wallace college. He is with the credit department of the Cleveland Plain Dealer after more than two years with the navy air force.

GLASSERS CLASS TO HAVE TUREEN

C. D. OF A. DISCUSS PLANS FOR EVENTS

Catholic Daughters of America, Court Teresa Irene No. 231, conducted an important business meeting Monday evening, with grand regent Mrs. Jessie Stenger in charge.

A donation was given to the Red Cross and also to the Gannon college in Erie for the erection of a C. D. of A. memorial window. The college is named for Bishop Gannon of Erie, and the latter is the state chaplain of the C. D. of A.

Those on the sick committee for March are: Mary T. Rocks, Mrs. Catherine Gallagher, Mrs. Mary Reider, Mrs. Mildred Nielsen and Mrs. Frank Colao.

Plans were made for a Day of Recollection in April, with grand regent Mrs. Jessie Stenger and Mrs. Marie Jones as co-chairman. Eleven new members' applications were received for the initiation meeting scheduled on Sunday, May 2, at The Carlton.

On Monday, March 15, at 8 o'clock, the degree team will meet in St. Mary's auditorium, and Mrs. Sarah Beatrice, district deputy of Ellwood City, will have charge.

Final plans were made for the anniversary of the C. D. of A. on Wednesday, March 31, in the Ecclesian club.

At this time, four members over 80 years of age and who have been in the C. D. of A. for more than 25 years will be honored guests. There will be also 34 members present to receive their 25 years membership certificates in the C. D. of A.

Mrs. Helen G. Smith and Mrs. Marie J. Metz, are co-chairmen of the affair.

Merry Mams Club

Gathering for an informal theatre party, the Merry Mams club gathered Monday evening downtown and attended a local theatre. Following, dainty refreshments were enjoyed in a local tearoom.

Plans were made to meet on April 5 with Mrs. Nick Tuscano, Pollock avenue.

Kuppel Kard Klub

Kuppel Kard Klub was received Saturday evening in the home of Mr. and Mrs. Frank Hamilton, Warren avenue.

Cards were enjoyed with trophies being captured by Mr. and Mrs. Jack Mentzer. A tasty lunch was served at the close of play.

Mr. and Mrs. Jack Mentzer of Castledown will entertain at their home Saturday evening, March 20.

HARD OF HEARING PRAISE MICROPHONE

Are you hard of hearing? Then we want you to know about the new Microphone. It's a tiny hearing device that gives you "almost normal" hearing. Yet, it's so small that it fits the palm of your hand! No separate battery case. No bulky cords!

Here's what Miss C. R. of East Rochester, Ohio, writes: "It is the best hearing aid I have ever tried. I did not know how much I was missing and would not sell it for twice the cost."

Standing In Pre-Easter Sunday School Campaign

Fifth Sunday of the eight weeks Pre-Easter increase campaign in which 75 county Sunday schools are enrolled, was a good Sunday from the standpoint of attendance, and the percentage figures for the 25 New Castle Sunday schools, and the church attendance percentages, are given below. The other two campaign goals are an increase in Evangelism and Bible study.

In the first, New Castle, group, the First Methodist is in first place, with the Third U. P. with the largest attendance of the campaign, not far behind in second place. The First Pentecostal is in the third place, and the First Baptist with a nice increase over the previous Sunday, in fourth place. The First Baptist is still meeting at the Cathedral, and anticipate good gains when they get back to the home church.

In the second group the Alliance Gospel Tabernacle is in first place with the First U. P. in second position. In the third group the Nazarene is in first place and in the fourth group, the First United Brethren hold the lead. The fifth group has for its leading Sunday school the Madison Avenue Christian, and in the sixth group, the Bethel Baptist has an unusually large percentage figure. The reason for this is that last year this was the Hungarian Baptist Sunday school, and shortly before the campaign started it was reorganized and has made splendid progress.

The percentage standings for the districts outside of New Castle, will be published later.

Striking Cabbies To Ballot Today
PITTSBURGH, March 9.—(INS)—The 1,100 striking Pittsburgh Yellow Cab drivers will meet today to vote on a new proposal to end immediately a three-week strike.
Company and union representatives met Monday afternoon and revised a proposal the rank and file had rejected last week.
The new offer was understood to contain changes the union representatives feel would make it acceptable to the men.

The service which starts at 7:30 o'clock, will open with a rousing song service, with Rev. Brand teaching choruses and being heard in vocal solos.

Pilots Report China Transport Is Fired Upon
SHANGHAI, March 9.—(INS)—Two pilots of a China air transport plane reported in Shanghai today that their ship was fired upon by two fighter planes bearing the red star insignia of Soviet Russia.
The plane is operated by the company headed by Gen. Chen-nault, now in Washington to testify on United States aid to China.
Officials of China air transport said the attack by the two fighter planes occurred 40 miles west of Kwantung Peninsula over the Gulf of Chilli.
The chief pilot of the transport plane, Lawrence Robert Huol, of Stockton, Cal., and his co-pilot, James C. McGovern, of Elizabeth, N. J., said the two fighter planes dove at them five times. Each time, they reported, the fighter planes released short bursts of fire.
The transport carried 32 passengers at the time of the attack. None of them was injured nor was the transport plane hit.
McGovern reported that he photographed the two fighter planes as they dove at the big ship.

Plan Easter Plays At Croton School
Plans are under way at the Croton avenue grade school for one of the best Easter plays that has ever been presented in the school, according to Miss Mildred Sargeant and Mrs. M. N. Brown, directors of dramatics and art respectively.
The art students have already completed their portion of the program, by drawing and coloring the scenery to be used in the presentations. Large rabbits and Easter flowers adorn the backdrops to be used in the plays. The plays will be given on Thursday, March 18, prior to the dismissal of school for the Easter vacation.

TO MICROFILM RECORDS
HARRISBURG, March 9.—(INS)—A state justice department ruling disclosed that the health department plans to microfilm 10 million vital statistics records dating back to 1897.

The disclosure came when the department announced a ruling giving the proposed microfilm legal status as evidence in court.

It is estimated that modern-type man has been in existence for about 300,000 years.

Churchill In New Blast At Labor Party

LONDON, March 9.—(INS)—Opposition leader Winston Churchill accused Britain's Labor government Monday of a policy of "drift" in the present international crisis.

Britain's wartime prime minister told the House of Commons during debate on the naval estimates that the government has "no policy, no control, no guidance—just drift and mental inertia."

He warned that the international situation is growing "increasingly grave."

Ought To Be Punished

Churchill said that "those responsible for this mishandling of our affairs ought to be punished by every suitable means known to the country."

He added: "Millions of pounds and hundreds of thousands of men are being wasted through the incapacity of the ministers to understand the problems with which we are confronted."

Churchill said that now that "danger revives," the government is engaged in retreating the numbers and strength of the armed forces.

He continued: "I wonder why the Socialist government should be so anxious to conceal the facts about our navy and our naval powers."

"Full returns were given in 1939 when there was great anxiety, rather like there is now."

"The admiralty never has given us so little fighting value for so much money and so many men."

This was a paraphrase of Churchill's famous speech paying tribute to the Royal Air Force during the war.

PHOSPHATE FARMING
LARAMIE, Wyo. — (INS)—Phosphate from Wyoming will help Iowa corn grow even taller in the next few years, according to Dr. H. G. Flak, director of the Natural Resources Research Institute at Wyoming University.

Dr. Flak recently pointed out that phosphate is one of three key elements in plant nutrition and that the corn belt needs phosphate treatment now because of "intensive war-time farming which has mined out the soil."

Report Two Women Are Assassinated

PARIS, March 9.—(INS)—The French News Agency reported from Saigon today that two women employed by United States government offices in Indo-China were "assassinated" while driving in a jeep to the Saigon airport last night.

The victims were identified as Jeanne Skewes, director of the United States Information Service in Indo-China and Lydia Ruth James, secretary at the U. S. Consulate in Saigon.

Near Air Field

The incident occurred at 7 p. m. yesterday about a mile from the air field.

The killings occurred outside the Saigon security zone. French authorities are investigating presence of the two women in a dangerous area. Both were believed to have been American citizens.

Ted Radabaugh, Thomas Wallace Hi-Y Delegates

Union High School Youths To Serve In Model Legislature At Capital

Union high school will have two delegates to the "model legislature" which will hold sway at the state capital April 2 and 3, it was announced today.

Ted Radabaugh and Thomas Wallace of the township school's Hi-Y club were elected to represent this district—the former as a senator and the latter as a representative.

Radabaugh, who was also a nominee for the governor's ship, lost this post by the narrow margin of two votes at the election held in Indiana, Pa., over the week-end.

Donald Cook of Rochester, Pa., will be the chief executive when the boys assume their posts in Harrisburg.

Ted is an active member of the Union school student body, having been one of the original members of the Hi-Y club and serving now as its president. He is the treasurer of his class and was a star quarterback on the football team. Robert Cowher is the Hi-Y club advisor.

Also serving with Radabaugh from this district will be Joe Weber of Sewickley, Rayburn Grove of Indiana, Jerry Moye of Beaver Falls and Roy Jones of Yatesboro.

Michael Fiello and Carl Barton of Shenango high school, along with David Gatrall, boys' work secretary, also attended the session.

During the capital sessions, the boy legislators will have a chance to pass bills. Many of these were decided upon at Indiana. This youth program is now active in 20 states, this being the first year it has been tried in Pennsylvania.

How Dr. Edwards' Helps Folks Who Are Constipated

For over 40 years, Dr. F. M. Edwards, a noted Ohio Doctor, successfully relieved patients bothered by constipation and its headaches, lack of pep, dull eyes, sallow skin, with his famous Dr. Edwards' Olive Tablets.

Olive Tablets are purely vegetable. They work gently but oh—so thoroughly! Olive Tablets pep up a sluggish intestinal tract. They act on BOTH upper and lower bowels. TRIMMINGS READY FOR SPRING SEWING

Interest in home sewing has reached a new high. Materials of good quality and lovely colors make it easy for a woman to make her selection. To go with these materials are colorful trimmings that can add to the attractiveness of the garment.

If a blouse or dress will be improved with ruffled trimming, use one of the organdy ruffings. These are varied with colored hemstitching or tatting edge in red, pink, blue, yellow, green, and black. Eyelet embroidery edges come straight-edged or ruffled.

Jabot type neckwear is again popular and embroidery and beading combinations are good for this. For rayon dresses there are rayon sheer or net edges and ribbon, either straight or pleated.

Ribbons in all widths may be used for trimmings, scarfs, and hats. Banding embroidered or printed in bright colors, give a gay touch to children's dresses or blouses. A plain apron takes on a special note if trimmed with rows of these bands. Rickrack, an old favorite, comes in different sizes and colors.

Something new this season is the trimmed zipper. The zipper has a decorative tape, either printed or embroidered, instead of the usual plain one.

Braid frogs adapted from sketches of dresses a century ago will trim the 1948 wool suit or coat. Braid trim by the yard is available at most stores.

Scout Leaders' Course Scheduled For Ellwood City

Ralph Davis, chairman of the
Leadership Training Committee of
the Lawrence County Council, Boy
Scouts of America, states that the
first session of the Troop Leaders
Training Course will be held Fri-
day, March 12 at 7:30 p. m. in the
City building, Ellwood City. These
sessions will be held each Friday
evening (except March 26) for a
period of seven weeks.

This course is open to all Scout-
masters, Assistant Scoutmasters,
Troop Committeemen, Commis-
sioners and any others who may
be interested in Scouting or con-
template starting a Boy Scout
Troop.

The presentation and discussions,
together with some motion pic-
tures, will pertain to such phases
of the Troop program as: "The
Patrol Method," "Troop Program
Building," "Troop Leadership," "The
Advancement Program," "Where
and How to find Program Materi-
al," "Recruiting and Receiving
New Scouts," "Troop Budget and
Troop Records," "Hiking and
Camping," "Health and Safety,"
"Good Turns," "Civic Service" and
"Marks of a Good Troop."

Following the opening session
Mr. Davis hopes to announce the
personnel who will assist in car-
rying through with the various
presentations and discussions.

Company Refuses Mediation Offer In Ellwood Strike

Overtures to reach an agree-
ment in the eight-day old bus strike
in Ellwood City, through the inter-
vention of a state mediator were
spurned by the company owners
Monday. Troy C. Burns of Butler,
Pa., the state mediator, arrived in
the community, but his efforts and
that of the union, failed to get the
owners to sit down together in any
arbitrary or conciliatory session.

The union today reiterated its
stand and stated that it would meet
with the owners any time they will
agree to a parley.

A representative of the holding
company which controls the bus
line (as well as 23 others through
the east) was in Ellwood yesterday
but was unavailable for detailed
comment, merely stating, it is re-
ported, that the transportation
still holds firm in its refusal to
grant the 30 cents per hour wage
increase the drivers are demand-
ing.

ficial Charter Is Presented
Commander

Ship No. 162, New Castle's
branch of the U. S. Navy club or-
ganization, has now been formally
commissioned.

The charter for the club was pre-
sented to Commandant Ray Mat-
thews by Attorney Walter Kiehl
at a special meeting Sunday. As-
sisting in the ceremony were Rob-
ert Farrell, first executive officer;
William Neff, second executive
officer, and Chief Machinist's
Mate Stephen E. Bond, NCO-in-
charge of the Navy recruiting sta-
tion here.

Membership in the club is open
to all ex-Navy, Marine and Coast
Guard personnel, including wom-
en who served in the Spars, Waves
and Women's Reserve of the Mar-
ines.

Meetings of the organization are
held each Sunday afternoon, and
the club is seeking new quarters
which they hope to procure soon.
Persons may join this club by
attending any one of the weekly
sessions.

Says Harbor School Abandoning Not Contemplated Now

No immediate plans are in pros-
pect for the abandonment of the
Harbor grade school, it was learned
this morning from F. H. Vanatten,
secretary of the Union township
school board. The Union consoli-
dated school is already overcrowd-
ed and there would be no room for
the students of the school if the
Harbor building was disposed of.

Citizens of the Harbor district
plan to meet Wednesday evening
in the school building to discuss
matters pertinent to the operation
of the small school.

Tri-City Flying Club Reorganizes

The Tri-City Flying Club, a
group of local and district men,
has recently been reorganized and
is once more in action. The offi-
cers of the club are: President,
Joseph McIlvenny; vice president,
Henry Sabolsky; secretary-treasur-
er, Ray Taylor of Sharon.

The club which owns a 1947
air coupe at present has headquar-
ters at the Youngstown Municipal
Airport and if sufficient mem-
bers are secured locally, the plane
will be moved to the New Castle
Airport. New members are being
received into the club. The meet-
ings of the club are held each
Sunday afternoon. Interested per-
sons can contact Mr. McIlvenny.

Holy Name Group Plans Meeting

St. Vitus Holy Name Society

The constitution committee in-
cludes: Dr. John Priorelli, Anthony
C. Ricciardi, J. C. Micco and Ed-
ward Malley. They will present the
draft of the new constitution for
either acceptance or rejection.

Plans are also being made for
a pre-Easter Communion breakfast
on Sunday, March 14, to be after
the 7:30 o'clock mass.

Rochester Youth Will Be Governor For One-Day Term

Donald M. Cook, 17, Will Be Gov-
ernor: Chosen At Indiana
Meeting Of Hi-Y

INDIANA, Pa., March 9.—(INS)—
Donald M. Cook, 17, a Rochester
High school senior, today was
scheduled to replace Governor
Duff as first executive of Pennsylv-
ania for one day.

The youth was elected at a meet-
ing of 40 representatives of state-
wide Hi-Y clubs along with five
other students who will be mem-
bers of legislature for one day
early in April.

Those elected to legislature were
Jerry Moye and Dino Nellis, both
of Beaver Falls; Basil Owens and
Donald Poland, of Alleghenya, and
William May, of Rochester.

The state government will be
placed in the hands of the stu-
dents as an annual project of the
Hi-Y.

Continue Probe Of Vandalism

Police headed by Lieutenant
George S. Kennedy continued an
investigation into vandalism in a
vault in Greenwood cemetery, be-
lieved to have been committed
prior to Saturday.

The vault formerly contained
several bodies, all of which except-
ing one, had been removed to an-
other cemetery.

A large stone slab on top of the
vault was broken. The marble
door leading into the vault was
broken, and also the door to the
space containing the casket.

Some kind of a tool was used to
cut a hole at the head of the
casket.

Says Marshall Plan Will Only Buy Little Time

WASHINGTON, March 9.—(INS)—Sen. Ball (R) Minn., declared today that the Marshall plan at best will "only buy a little time" in the cold war to block further Communist expansion in Europe.

Ball said he and other Republicans seeking to modify the European recovery bill hope to reach agreement on an amendment to cut the five billion 300 million dollar program to four billions for the first year.

At the same time House and Senate foreign policy leaders scheduled a conference for today to discuss the mechanics of combining China aid with the ERP bill now in its second week of Senate debate. Chairman Vandenberg (R) Mich., of the Senate Foreign Relations Committee was to meet with House Chairman Eaton (R) N. J., and House Majority Leader Hallock (R) Ind.

Aid For China
House chiefs already have made it clear they plan to place aid for China, as well as military assistance for Greece and Turkey in the legislation for western Europe. Vandenberg may balk at inclusion of military funds for Greek-Turkish aid.

Confidence of the ERP supporters rose with the first roll call "test" vote on a Ball amendment. The Senate rejected, 53 to 19, Ball's proposal to require the ERP administrator to help recipient countries establish currencies that would reflect the "relative purchasing power." The Vandenberg bill calls for a "valid rate of exchange," which was sustained.

Madonna Sodality Skit Presented

Regular Business Conducted At Meeting Of Young Ladies Sodality At Church

Madonna sodalists enjoyed their monthly meeting Sunday afternoon at church with Betty Glasser in charge of the meeting. Rev. Fr. Francis Kuczyński, spiritual director, opening with prayer.

Sophie Zombek was in charge of the roll call, and reports on the various committees were given. Wanda Rycka spoke on "Show Your Ticket" and Gertrude Arent on "Annunciation."

A skit entitled "Falling in Love With Christ," was presented by a few sodalists.

The prefect reminded the sodalists of the May crowning and two great feast days in March. St. Joseph's on March 19 and St. Patrick's on March 17.

The sodalists will also take part in the 40 hours services on March 21. Fr. Kuczyński spoke on the truth of the prophecies and commented on several books. He closed with prayer.

If someone had started counting a billion at the time Adam lived on this earth, and counted at a rate of 200 per minute day and night, he would still be counting and would not reach his goal until the year 5753.

**NEW Cadillac Is
Now On Display**

Reiber Cadillac Company Showing Handsome New '48 Series in Display Rooms Here

Introducing a new conception of automotive luxury and functional beauty in the modern manner, the new 1948 Cadillac, is now being displayed by Reiber Cadillac Company, in their show rooms at 648 East Washington street.

The new Cadillac embodies and enhances post-war design trends, while still retaining the traditional Cadillac dignity.

Length and sleekness are emphasized in the side approach. Front fenders blend smoothly into the extended sides of the body, continuing to the rear fenders in an unbroken line. Rear ends of the rear fenders are raised to form vertical fins, reminiscent of aircraft design embodying new tail and directional lamps fitted into the trailing edges of the rear fenders. The rear deck is strikingly longer and lower, giving a compelling illusion of suave surge to the entire car.

Cadillac interiors, always luxurious and comfortable, have been

enhanced. All driving instruments are grouped in a compact cluster, above the steering column. Push button window and front seat control is standard equipment on some models, optional on others. Cadillac Hydra-Matic drive is available as optional equipment. For series, and many body styles are available.

**Murder Trial
In Second Day**

LISBON, O., March 9.—(INS)—The second-degree murder trial of John Adams, 60, East Liverpool refuse dump caretaker, entered its second day today, with calling of witnesses for the state.

Adams is charged with the slaying of Mrs. Goldie Adams, 48, in his share in the refuse dump last Christmas day. Mrs. Adams was not a relative of the defendant.

The jury of eight women and four men visited the scene of the slaying after their selection yesterday.

Defense attorneys intimated they would seek to repudiate a confession allegedly signed by Adams a few hours after the slaying was discovered.

**CEMETERY-CHURCH
ROBBERIES**

PITTSBURGH, March 9.—(INS)—Neither churches nor cemeteries are immune to thieves in Pittsburgh.

Police reported today that Mrs. Theresa Scheri was in a church yesterday when her purse was stolen from the pew beside her.

Burglars broke into another church and stole money and property. Amount of the loss awaited a check.

Employees arriving for work at a cemetery found the combination had been knocked off the office safe, and an undetermined amount of cash and bonds stolen.

Dave Tobin, of Highland avenue, has returned home from the Montefiore Hospital, in Pittsburgh, where he has been undergoing treatment for eye trouble. He underwent a serious eye operation, and will be confined to his home for a number of months yet, convalescing.

**NEW Cadillac Is
Now On Display**

Reiber Cadillac Company Showing Handsome New '48 Series in Display Rooms Here

Introducing a new conception of automotive luxury and functional beauty in the modern manner, the new 1948 Cadillac, is now being displayed by Reiber Cadillac Company, in their show rooms at 648 East Washington street.

The new Cadillac embodies and enhances post-war design trends, while still retaining the traditional Cadillac dignity.

Length and sleekness are emphasized in the side approach. Front fenders blend smoothly into the extended sides of the body, continuing to the rear fenders in an unbroken line. Rear ends of the rear fenders are raised to form vertical fins, reminiscent of aircraft design embodying new tail and directional lamps fitted into the trailing edges of the rear fenders. The rear deck is strikingly longer and lower, giving a compelling illusion of suave surge to the entire car.

Cadillac interiors, always luxurious and comfortable, have been

enhanced. All driving instruments are grouped in a compact cluster, above the steering column. Push button window and front seat control is standard equipment on some models, optional on others. Cadillac Hydra-Matic drive is available as optional equipment. For series, and many body styles are available.

**Murder Trial
In Second Day**

LISBON, O., March 9.—(INS)—The second-degree murder trial of John Adams, 60, East Liverpool refuse dump caretaker, entered its second day today, with calling of witnesses for the state.

Adams is charged with the slaying of Mrs. Goldie Adams, 48, in his share in the refuse dump last Christmas day. Mrs. Adams was not a relative of the defendant.

The jury of eight women and four men visited the scene of the slaying after their selection yesterday.

Defense attorneys intimated they would seek to repudiate a confession allegedly signed by Adams a few hours after the slaying was discovered.

Court House

March Term Of Court Is Opened

Two Cases Go On Trial Be-
fore Judges Braham And
Lamoree On Monday

DIVORCES ARE GRANTED NUMBER

Jurors were selected and trial was started Monday on two of the five cases listed for this week in the March term of Criminal Court.

The first of these, the case of the Commonwealth vs. Joseph Conple, in which State Police Officer William S. O'Brien, is the prosecutor, opened in Court room No. One, before Judge W. Walter Braham.

Copple is charged with robbery, larceny from the person, receiving stolen goods, and assault and battery. He and a companion, G. K. Hanna, who has pleaded guilty to the same charge, are alleged to have held up Wilbert B. German, on February 24, after pretending they were going to take him to his home in their car. They are alleged to have taken \$72 from his person.

Nicholas H. Pappas, charged with aggravated assault and battery, in which the prosecutor is Frederick Dangle, went on trial before Judge John G. Lamoree in Court Room Two. Pappas is alleged to have beaten Dangle with a club in Pappas' restaurant on South Jefferson street, and to have broken his wrist, the attack having taken place on February 8, it is charged.

DIVORCE DECREES HANDED DOWN

Twelve decrees in divorce were handed down by the court on Monday, six each by Judges W. Walter Braham and John G. Lamoree.

Hearings in these cases were held on Friday by the judges, and the decrees were announced today.

Those granted decrees by Judge Braham, were:

Ardelle Mae Ault from Arthur William Ault.

Carrie Jane Mauney from Donald W. Mauney.

Genevieve B. Servick from Joseph V. Servick.

John N. Piccuta from Jane B. Piccuta.

Reva Helene Tyler from Charles Barber Tyler.

Helen R. Cinoninco from James A. Cinoninco.

Decrees granted by Judge Lamoree, were:

Angeline Pennachio from Michele Pennachio.

Wilma M. Stevenson from Clifford Stevenson.

Edith Pizzella from Gori Pizzella.

Frank J. Bolois from Caroline Bolois.

Howard J. Attle from Donna Jean Attle.

Margaret Eera from George Eera.

REGISTRATION ENDS

One hundred and sixty-seven voters were registered on Saturday, the last day for registration of voters prior to the spring primary on Tuesday, April 27. The registration figures show that 38,684 voters will be eligible to cast their ballots at the primary. This is 751 less than were eligible to vote last November.

There were 1,471 voters who had their names stricken from the voting list following the general election last fall, having failed to exercise their privilege of voting within a two-year period. Some of these have re-registered, while many others were new registrations.

Registration really perked up during the last week, the total for the week being 388, of which 244 were Republicans and 124 were Democrats.

Seventh Ward

To Collect Waste Paper Wednesday

Collection Will Be Made In Afternoon From 4 To 6; Ward School Pupils To Help

Wednesday, March 10, is the date set apart by the Seventh Ward Civic club for the waste paper drive, in the ward.

The collection will be made in the afternoon, between the hours of four and six o'clock.

Magazines and newspapers should be bundled separately, as more money can be realized from magazines. Folks are requested to tie the bundles securely, which will do much to facilitate the collection by the trucks. Seventh, eighth, and ninth grade pupils of Mahoning School, will help in the waste paper collection.

Full cooperation of citizens of the ward are asked in this effort, as the money for the waste paper will be used to give the boys and girls of the community, a weekly fun and recreation night.

The bundles should be placed on the curb for a quick pickup. In case of wet weather, it is requested that the bundles be placed on porches of the homes, for the collection.

**Police Chief Warns
On Contributions**
Chief of police Robert D. Hanna today announced that before any person makes a contribution for welfare purposes, he or she, first should make certain the cause is bonafide.
It was drawn to his attention yesterday that the proprietor of a jewelry store and a man met in a home, and the proprietor showed the man a receipt for \$2.00, to which his name was signed.
The man said while it was his name, it was not his signature, and he did not know of the welfare project, hence it was reported to the police chief, with the resultant warning.

City Police To Get New Cars

Council Directs Three New Cars Be Purchased For Police Use

OTHER MATTERS BEFORE COUNCIL

When council met Thursday in city hall with Finance Director Albert A. Hoyland as presiding officer, due to Mayor John F. Haven's illness, solons directed City Clerk Jack Fritz to place advertisements for the purchase of three sedans, properly equipped for police department use.

Council instructed, upon advice of Solicitor R. M. White, that the assistant solicitor, Robert Jamison, tomorrow, attend a meeting of representatives of boroughs and townships, at Harrisburg where a state act is to be discussed. The act gives cities, boroughs and townships the authority to tax anything, not now taxed, by the state. The city is mostly concerned with the wage tax.

Council received from the state, a check for \$7,748.88, which was ordered turned over to the city treasurer. It represents a refund on gasoline tax paid in the city.

Upon motion of Safety Director Richard I. Davis, council authorized the city clerk, to place advertisements for the purchase of a new truck in which garbage is to be hauled. It will be a plain dump truck, with an open body. The motion was seconded by Property Director Joseph D. Alexander.

A petition was received from owners of property in Harrison street, between East Washington and William street, which asked the section be graded, curbed and paved with a hard material. Upon motion of Streets Director James Gibson, the petition was referred to City Engineer John Z. Street, who will check on the frontage and properties involved. If put through, the petitioners stated they understood the improvement is to be made on a cash in advance plan.

Upon motion of Property Director Joseph D. Alexander, council passed the bill of Safety Director Richard I. Davis which permits the fire department and employees to fight fires outside the city, providing a request for services comes from a responsible authority of the fire department of the section where the conflagration exists.

Councilman James Gibson brought up zoning, as proposed for the Euclid avenue district. He stated it was his suggestion that, only the portion required or both sides of Euclid avenue, east of Highland avenue, for a proposed apartment house, be regulated by the bill now before the planning commission.

Solicitor Robert White suggested that, in addition, to this measure, a bill be introduced, permitting multiple dwellings, and apartments, in all A residential districts. Council, he said, could study both bills then decide which one they desired to accept.

Acting Chairman Hoyland stated, that due to illness, the mayor was unable to be in council, and he suggested that discussion be held over until the chief executive can be present. His suggestion was adopted.

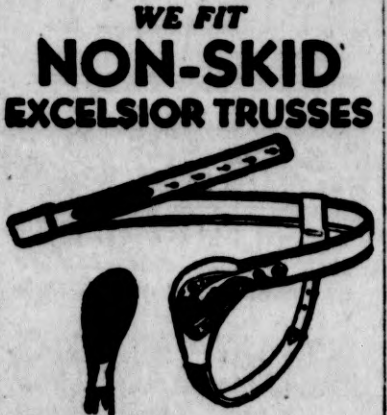

Musical Program Heard By Rotary

Westminster Students Present Delightful Program At Noon Luncheon Meeting

New Castle Rotary Club had an interesting musical program in connection with their noon luncheon meeting in The Castleton, Monday, when the Westminster college quartet, styled as "The Statesmen," assisted by Miss Alice Ann Epoly, soprano, furnished a delightful program of musical numbers.

The quartet is composed of Joe Thompson, Don Davis, Bill McClelland, and Bill Dumbaugh, McClelland being a local boy. They were accompanied by Bruce Keefe, while Audrey Stock served as accompanist for Miss Epoly. All the group are students at Westminster College.

Russian Military Court In Austria Sentences Kovacs

VIENNA, March 9.—(INS)—Bela Kovacs, former secretary general of Hungarian Small Landholders Party, was sentenced today by a Russian military court in Austria to four years of imprisonment on a charge of espionage.

An earlier purported confession by Kovacs was used by the Communist forces to overthrow former Premier Ferenc Nagy who now is in exile in the United States. Kovacs, frequently reported to have died while in the hands of Russians, was convicted and sentenced by a Russian military court sitting at Baden, just west of Vienna.

Kovacs was taken into custody by the Russians in February of 1947. Subsequent statements at-

tributed to him by Soviet investigators precipitated the governmental crisis in Hungary last spring which resulted in the Communist coup at Budapest.

Wagner Fails To File Petition

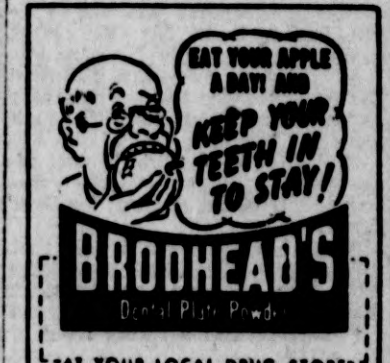

HARRISBURG, March 9.—(INS)—Auditor General G. Harold Wagner has staged a walkout on the Democratic organization by refusing to file his nomination petitions for delegates-at-large to the party's national convention.

The 47-year-old leader ignored the Democratic organization and thus left a gap today in the slate of 16 delegates-at-large posts. His unexplained action was believed retaliation over the organization's rejection of Frank Boylan of Carlisle, his unsuccessful candidate for the state treasurer's nomination.

HOSPITAL BIDS
HUNTINGTON, W. Va., March 9.—(INS)—The Huntington District Corps of U. S. engineers today was considering three bids submitted yesterday for construction of a 200-bed Veterans Administration hospital at Clarksburg, W. Va. A bid of \$4,964,825, submitted by the Thompson and Street Co., of Charlotte, N. C., was low among the three, the engineers' office reported. Bids were received two months ago on the project, but all were rejected as exceeding the government's estimate by more than 25 per cent.

Eight College Quints Poised For Tournament

Pairings For Garden Games Made; NCAA Tournament Drawings Also Made

NEW YORK, Mar. 9.—(INS)—Eight teams have been paired up for Madison Square Garden battles leading toward the national invitation basketball championship.

The picked quint from all over the nation will start the tussle on Thursday night when LaSalle will meet Western Kentucky and St. Louis University will take on Bowling Green.

On Saturday night North Carolina State will meet DePaul and New York University will oppose Texas University.

The winners will meet on March 15 and then ultimate survivors of that double-header will tangle on March 17 for the title.

The beaten semi-finalist also will meet on the final night in a battle for third place behind the two finalists.

The drawings for the tenth annual national collegiate athletic association tournament also were announced.

On March 18 at Madison Square Garden, defending champion Holy Cross will oppose Big Nine champion Michigan, and Kentucky will meet Columbia in the eastern regional semi-finals.

On March 19, at the Kansas City auditorium the western semi-finals will take place. The four teams for the west have not been selected. There are eight candidates: Oklahoma A & M and Kansas State, Baylor and Arizona, Wyoming and Utah, and California and Oregon State.

The winners of these pairings will be selected as regional representatives.

The eastern and western final will be held on March 20 at Madison Square Garden and Kansas City auditorium respectively.

Following this, the western champion will play for the NCAA championship at the Garden on March 23. The respective runners-up will compete in the other game.

Two Penn State runners, Curt Stone and Horace Ashenfelter, now hold the outdoor and indoor 100-44 two-mile records.

North County Loop Elects

Officers have been elected for 1948 in the North County Baseball league, with the following named to serve: president, Paul Sankey; vice president, Dave Means; treasurer, Carm DeLoane; secretary, Chuck Morris.

The next meeting will be held at Carm's place, W. Washington street, March 19 at 8 p. m.

All managers are requested to be present at that time as rules and regulations for the coming season will be discussed.

Injuries Take Toll In Majors

Aches, Pains Hit Many Key Players As Exhibition Cards Begin

(By International News Service)

Many a major league ball player has good cause today to regret the late start of 1948 training.

Previous to this month, the athletes were tickled silly that this year for the first time, they did not have to report for the spring conditioning grind until March 1st.

Today, however, after swinging into the exhibition schedule with only four of five days of limbering up behind them, many of these physical marvels are red sacks indeed. Charley horses, sore arms and various aches and pains are plentiful, and there are several cases of serious illness.

The Boston Braves, who thought they were getting a ready-for-duty second baseman when they made a trade for Eddie Stanky, have acquired a pneumonia patient instead. Pitcher Ed Lopat of the Yankees is hospitalized with pharyngitis, and Billy Cox of the Dodgers is suffering from various ailments, just to mention a few.

Boudreau Ailing

Even the hands of veterans like Lou Boudreau of the Indians are cracked and blistered.

Al Giofriddo of Brooklyn was beamed in batting practice yesterday by a pitched ball, but fortunately escaped serious injury.

To add to the woes of the Dodgers, Rex Barney, fireball pitcher, was laid low by gripe.

On the diamond, Chicago's Cubs trounced the White Sox, 9 to 6, and Pittsburgh clubbed Hollywood, 7 to 4. Each game produced five homers. Ed Stevens, first baseman obtained from Brooklyn, hit one for the Pirates.

Harry Walker, the National league's leading hitter last year, came to terms with the Phillies. Manager Ben Chapman of the Phils also announced that the veteran Dutch Leonard will pitch the opening game of the season for his club.

Bucs Slam Ball, Pitching Spotty

HOLLYWOOD, Cal., March 9.—(INS)—The Pirates seem to be doing business at the old stand today as they continue to show an abundance of hitting during spring exhibitions, but not much pitching.

Of all the pitchers Manager Billy Meyers has used in the first two games, only Elmer Riddle and Forrest Main have looked at all impressive. Nick Strincevich turned in a nice job for one inning.

Yesterday's 7-4 win over the Hollywood Stars was featured by home runs by Wally Westlake and Ed Stevens. The big first sacker also collected three singles.

The Stars' run were the direct result of homers, all with the bases empty.

Main pitched four innings and didn't give up a run until he tired in the last frame.

WOULD BAN SMOKING PHILADELPHIA, March 9.—(INS)—An effective ban on smoking at boxing and wrestling bouts in Pennsylvania was asked today by Leon L. Rains, chairman of the State Athletic Commission.

Public Safety Director James H. Malone said he would take up Rains' request with City Solicitor Frank F. Truscott.

Last Friday a fire destroyed the interior of the Philadelphia Met, scene of boxing and wrestling contests.

Last Night's Fights

(By International News Service)

At New York—Al (Buster) Tyler, 144-1/2, Newark, won a split decision over Tommy Bell, 148, Youngstown, O. (10).

Bernie Bernard, 134-1/2, Brooklyn, decisioned Joey Cardillo, 140-1/2, Youngstown, O. (8).

At Detroit—(Fairview Gardens)—Jimmy Guey, 158, Detroit, knocked out Willie Edmunds, 156, Grand Rapids in 1:32 of 4th (8).

Jackie Tighe's bride, Maureen Loftus Tighe, of Dunmore, is an avid boxing fan but can't bear to watch her husband in action. She hides her head in her hands when the Penn State captain steps into the ring for his bout.

Forty players are expected to answer the call for Spring football drills at Penn State. Holdovers, including 19 lettermen, will dominate the squad when daily drills begin Monday, March 15.
